

Hope Grows

GARDEN

Breast and Ovarian Cancer

The Hope Grows Garden: Breast and Ovarian Cancer on the HudsonAlpha campus was created to pay tribute to those who are battling or have battled breast and ovarian cancers as well as those who are working diligently to find new discoveries for these diseases.

This garden is made possible thanks to a generous donation from Pam and Joe Alexander.

Ribbon Pathway

Recognize and remember your mother, sister, wife, daughter, aunt, neighbor or friend with a special tribute on our Ribbon Pathway. The pathway features three options of personalized pavers that people may purchase.
